I am the financial power of attorney for my parents, Louis and Julia Ehasz, who own a property in Apache Junction (1417 S. Grand Dr.) that is serviced by Arizona Water Company. My parents struggle to pay their bills currently on a fixed income. I was absolutely shocked to see that Arizona Water Company is requesting a 25.68% increase as well as charging a \$3,500 hook-up fee for new service. This request is outrageous and should be denied. Every person and business in this economy needs to live within their means and Arizona Water Company is no exception. Please do the right thing and refuse this increase and burden that would be put on people that have no choice in selecting their water provider. Thank you for your consideration.
